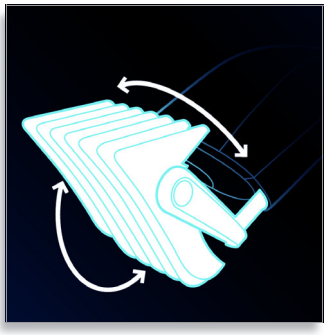
sense and simplicity

Hair clipper
Premium Dual sided cutting element

QC5770/80

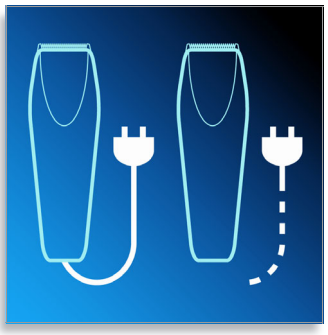
Highlights

3D contour following comb



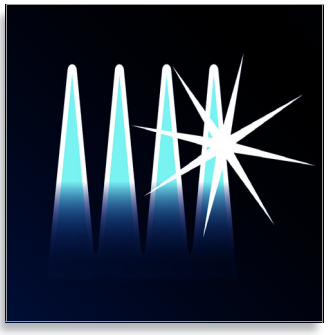
The unique 3-dimensional contour following comb closely follows every curve giving you fast and comfortable results.

Corded and cordless use



Use your product corded or cordless with the recharged battery for maximum power and freedom.

Diamond like carbon technology



The innovative Diamond like carbon technology ensures the cutting element stays sharper longer.

Multi-fuctional display

The multi-functional display shows battery status, chosen length setting in millimeters and whether the hair thinning option is on or off

Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in only 1 hour for 50 minutes use.

Storage case

The high quality case provides a storage solution for all the accessories and protects them from damage

Skin friendly

The uniquely rounded blades and comb tips prevent scratching the skin.
